

DONATE A BAG

If you are planning a holiday to Hurghada between March – June 2009 we need your support.

In April 2009 a plastic bag ban will come into effect in Hurghada. This is fantastic news for the environment, residents and wildlife within the town.

HEPCA, supported by our members, are working hard to ensure that the residents are ready for the ban and understand its importance.

For some of the poorer residents, purchasing a cloth or material bag that they can use time and time again for their groceries and shopping is not possible, so we are calling upon you to help us to provide 'free' cloth bags to those that need them.

When you are packing your suitcases for your holiday, pack a spare cloth bag also and when you arrive, give it to your operator who will ensure it is passed on to us. You may have a few old ones lying around. Or perhaps you are happy to spend a few pennies purchasing one to bring with you. Your support will be greatly received. This is your chance to help make a difference in the Red Sea.

Saving the Red Sea...One Bag at a Time.
